

Appearance

Are you satisfied with your appearance? Why or why not?

What would you change about your appearance if you could?

Have you ever done something to change your appearance dramatically in a short time?

Have you ever had plastic surgery?

Have you ever dyed your hair?

How has your appearance changed over time?

Do you prefer to 'dress up' or 'dress down' in public?

Do you usually prefer to be around people who are stylish?

Do you think that you are prone to easily forming judgements about other people based on their appearance? Are you usually correct in your judgements?

Do you think better looking people have more opportunities in life? How?

Would you prefer to be good looking or rich?
