

Conversation

Do you enjoy making conversation?

Do you prefer small talk or deep and meaningful discussions?

Who do you most enjoy chatting with?

Can you have enjoyable conversations with lots of different people or are you selective who you chat with?

What is your favourite conversation topic? Why is it interesting to you?

Are there any topics you prefer to avoid?

Are there any topics that are taboo in your culture?

Do you talk openly about yourself or are you usually reserved?

Do you usually prefer talking in a group or one-on-one?

Do you tend to do more talking or listening?

Do you enjoy a bit of gossip?

As you have gotten older how have your conversation topics changed?

Can conversation ever be exciting?
