

Culture and Tradition

What things define culture?

What aspects do you like about your culture?

What aspects do you dislike about your culture? Is there anything you'd like to change?

Are there any cultures that are particularly attractive to you? What do you like about them?

Do any aspects of other cultures offend you? Do you find any aspects difficult to understand?

Is any part of the culture in your country disintegrating? Why is this happening?

Do you think it is healthy for a culture to evolve and adapt over time?

In your view how important is it to maintain the customs of your ancestors?

Are there any traditional customs you follow in your culture?

Have you ever experienced culture shock while travelling?

Would you consider dating or marrying someone from another culture?

Have you ever had a cultural misunderstanding?
