

Philosophy and Meaning

Are you a reflective person? Do you spend much time thinking about philosophical questions?

Does life have a meaning?

What do you think happens after we die?

Is there a god?

Do people have souls? Do animals?

Can personality be changed?

Does freewill really exist or is there just destiny?

Is democracy suited to all cultures?

Are humans born with basic rights or are rights granted by society?

Should animals have rights?

Should governments intervene in markets?

Does karma exist?

Is happiness a personal choice?

Is beauty in the eye of the beholder?
