

# Race and Racism

In your opinion is race biologically determined or at least partly a social construct?

What race do you personally identify with?

What racial groups are most common in your country?

What minority groups exist in your society? How are they treated?

What do you think causes racism?

Is racism a big issue in your society? How is it manifest?

In your country are there many stories about racism in the news?

Have you ever experienced racism yourself? Describe what happened. How did you know it was racism?

Do you have any friends from a different racial group?

Are interracial marriages common in your society?

In your opinion do the laws in your country tend to encourage or discourage racism?

Should the government of your country do more to stop racism?
