

Time

Are you more often late or early to appointments?

Do you tend to hurry a lot or do you take your time?

Do you prefer to follow a schedule or do you like your time to be unstructured?

Do you get a lot of free time or are you busy most of the time?

When does time go too fast for you?

When does time go too slowly for you?

Do you feel that your life is passing too quickly or too slowly?

Do you put important dates in a calendar? If so do you prefer to use an online calendar or a handwritten one?

Do you keep a diary? What sort of things do you write in it?

Are you more of an 'Early bird' or a 'Night owl'?

Is it rude to be late to a dinner party?

Do you think time travel will one day be possible?
