

What Would You Do...?

What would you do if you received one million dollars?

What would you do if you lost all your money?

What would you do if you were president?

What would you do if you were royal?

What would you do if you returned to the age of fifteen years old again?

What would you do if you had only one week to live?

What would you do if you were invisible?

What would you do if you were a celebrity?

What would you do if you were a genius?

What would you do if a war started in your country?

What would you do if you found a lot of money?

What would you do if one of your family members committed a crime?

What would you do if you saw someone getting mugged?

What would you do if someone was following you?

What would you do if a good friend asked you to lend them money?

What would you do if you were granted a single wish?
