

Would You Ever...?

Would you ever live in the forest for a month?

Would you ever donate an organ?

Would you ever go skydiving?

Would you ever eat frogs legs?

Would you ever live on a boat?

Would you ever travel to space?

Would you ever steal if you had no money and were hungry?

Would you ever tell a lie to get a friend out of trouble?

Would you ever swim in the sea at night?

Would you ever live in another country?

Would you ever go on a blind date?

Would you ever date two people at the same time?

Would you ever dive into a pool from a height of ten metres?

Would you ever run a marathon?
